BASE CAMP

WELCOME TO BASE CAMP!

Northern Star Council's Base Camp is an experiential education facility offering a unique year-round environment for visitors to engage in team building activities, rock climbing, high ropes courses, archery, and more. We are conveniently located in the heart of the Twin Cities just east of the Minneapolis-St. Paul International Airport at the intersection of MN Highways 55, 62 and 5. Visitors to Base Camp can also arrive by light rail, with the Fort Snelling station just blocks away. We are located next to some of the best outdoor areas in the Twin Cities including Historic Fort Snelling, Fort Snelling State Park, Coldwater Springs Restoration Project, Minnehaha Falls, and Minnesota Valley National Wildlife Refuge!

Groups of any size are welcome at Base Camp. We are a group reservation facility, so arrangements must be made prior to arrival. No matter the weather, we are open year-round for everyone in the community - all you need is a reservation.

This catalog will help you plan your Base Camp adventure and understand our activity fees and reservation process. In Base Camp's first 10 years of operation, over 350,000 people have attended! So what are you waiting for? Mark a visit to Base Camp on your calendar and let your adventure begin!

LARGE GROUPS & FULL FACILITY RENTALS

If you are looking for the perfect venue for your special event, Base Camp offers full building rentals! Your rental can last from a few hours for a lunch meeting up to a full weekend for a corporate retreat or special event. Our convenient location off of highway 62/55 - near the airport and light rail blue line - makes us central to the Twin Cities area and easily accessible for out of town visitors.

Reservations for the full facility can be made up to 11 months in advance, but in order to give your group the best experience we cannot accept reservations within 14 days of a requested date.

Base Camp can be set up in almost any way you can imagine! Here are some of the items we have available included in a full facility reservation:

- Projector & Screen
- Seating for 140
- Speaker podium
- Handheld & lapel wireless microphones
- Complimentary parking
- 12 six-foot rectangular tables
- 24 seventy two-inch round tables
- Access to catering kitchen

MAKING A PROGRAM RESERVATION

At Base Camp there are program opportunities for all group types & sizes. Feel free to complete the following worksheet before exploring programs to help you plan your visit:

WE WOULD LIKE TO VISIT FOR _____ TO _____ HOURS.
OUR GROUP WILL HAVE _____ TO _____ PARTICIPANTS.
WE ARE PREPARED TO PAY \$_____ TO \$_____ PER PARTICIPANT.

Once you have identified a program you like, **you must fill out our online reservation form.** This form can be found on our website (explorebasecamp.org) or you can scan the QR code found in this catalog.

We know that each event is unique, if you are interested in more customization than what you see in this catalog you will need to have a conversation with our team to discuss pricing and possibilities.

OTHER IMPORTANT INFORMATION:

- To qualify for the Non-profit adult price, an ST3 form is required.
- If your group exceeds the maximum number of participants for a program, contact our Camp Director at 612-261-2471 to figure out a program that will work for you.
- **Multiple programs can operate simultaneously.** Feel free to request multiple programs to accommodate larger groups or a diverse interest of participants. You can request multiple programs using the same form as long as they are on the same day.
- **Programs can take place 7am - 10pm**, seven days a week (except for major holidays). Program requests outside of these times may carry an additional fee.

CORE ADVENTURES AT BASE CAMP

The program descriptions below will help you decide which activities you are interested in before exploring our packages. Keep in mind that your group size & length of stay will play a factor in what is possible. If you have questions on how you can best structure your time at Base Camp, please reach out to us!

ACTIVITY	DESCRIPTION
ARCHERY	Archery at Base Camp is a blast! Our 15-yard indoor range has five stations, making it a great activity for year-round adventures. Adults and youth in kindergarten or older find our most popular activity both challenging and fun. Don't worry, even if you have never picked up a bow before, it's a skill you can learn and be successful at quickly. We provide all the bows & arrows you'll need.
ROCK CLIMBING	<p>Using a climbing rope that can hold more than 5000lbs, Base Camp guides belay participants and protect them from falling. If your group has the time and wants an added team building challenge, our guides can also provide belay training to adults and youth in 6th grade or older. Harnesses and helmets are included, but you can use your own equipment if you bring your proof of purchase date and get it inspected by a Base Camp lead guide. Climbers must wear closed toed shoes.</p> <p>Our INDOOR CLIMBING WALL is the centerpiece of Base Camp and simulates the natural rock face of the St. Croix River bluffs near Taylors Falls. Try one of 16 routes between 24 and 32 ft. high. Our OUTDOOR TOWER provides a physical and mental challenge to climbers of all ages and abilities. Outdoor climbing season is usually April - November (weather dependent)</p>
TEAM BUILDING	Team Building activities go by a lot of names - ice breakers, initiatives, and low ropes course activities. At Base Camp our team building games range from simple problems to complex challenges that require groups to work together to succeed. With over 75 activities in their back pocket, our guides have plenty of engaging ways to create team building experiences that focus on planning, self-awareness, personal disclosure, communication, cooperation, leadership and other outcomes your group may want. You may have just come together as a group and are looking to kick start your performance or you may have been working together for years and are looking to discover a personal connection. Whatever your background, our staff will facilitate an experience through guided discovery by choosing activities based on your group's strengths & weaknesses.

ACTIVITY	DESCRIPTION
OUTDOOR HIGH ROPES	<p>Our newly redesigned outdoor ropes course is the perfect experience for groups really wanting to focus on developing teamwork and communication skills. All 4 elements require the team to work together to successfully complete the challenge!</p> <p>The outdoor course is typically available April - November (weather dependent).</p>
INDOOR HIGH ROPES	<p>Nervous about heights? No problem! Our guides have plenty of experience helping thousands of people overcome their fear of heights. Because of the physical and behavioral maturity required, you must be in 7th grade or older to participant in our ropes course. Harness and helmets are included, but you can use your own equipment if you bring your proof of purchase date and get it inspected by a Base Camp lead guide.</p> <p>Our indoor course operates year-round and contains three levels of challenging elements. Once you climb one of our four ascents, you can head across an aerial obstacle course. Most obstacles, like the cargo net and single-line traverse are 16 feet high.</p>

DEPOSIT, PAYMENT & CANCELLATION POLICY

Reservations

Reservations for youth programs can be made 6 months ahead of requested program date. Reservations must also be made at least 14 days prior to requested reservation date.

Deposits

A deposit of 50% per person is required upon making a reservation, based on the estimated number of participants. Checks (made payable to Northern Star Council) or credit card payments (Visa, MasterCard, Discover) are accepted. This deposit is nonrefundable if a lesser number of participants attend the program. It is transferrable to another date if rescheduled at least 3 weeks in advance.

If the confirmed number of participants changes at any time, please let Base Camp know by calling 612-261-2301. If the confirmed number of participants is lowered at least one week ahead of the scheduled program, the non-refundable deposit will be adjusted.

Remaining Payments

The minimum group size for most programs is 10 participants; if your party has fewer than 10 participants, then you will still be responsible for covering the 10 participant minimum (The only exceptions are the Space Simulator and Robotics program, which have a minimum group size of six). The remaining balance is due upon arrival at Base Camp by credit card, cash or Check.

Cancellations

Scheduled programs cancelled at least 3 weeks in advance can transfer their deposit to a new date within 1 calendar year. Scheduled programs cancelled less than 3 weeks in advance will forfeit any deposits paid.

Scholarships

Scholarships must be requested along with reservation. Base Camp requires a minimum of 3 weeks to process scholarship requests. Scholarship requests received after scheduled program date will not be accepted.

Scholarships are only dispersed for actual youth attendees and are based on a per participant value. Groups may not use scholarship funds from no shows to pay a remaining balance.

Base Camp Severe Weather Policy

Decisions for official Base Camp closing will be made by the Base Camp Director or Base Camp Program Director.

When Base Camp is officially closed, fees will either be transferred to another date within the calendar year or refunded.

If Base Camp does not officially close, the Base Camp Director or Program Director may approve transferring fees paid by a group to another date if group leader determines conditions to be unsafe for their activity AND if they notify Base Camp (before start of event) that they will not be able to attend Base Camp. This can be accomplished by calling the Base Camp on-site phone 612-261-2301 (leave a message if no answer) or email to basecamp@northernstar.org. Typical reasons for this situation include heavy snowfall, slippery road conditions and extremely cold weather. Requests for fee transfers must be submitted in writing.

Information and questions regarding current weather conditions for Base Camp Programs will be available at 612-261-2448 (December-March).

Please note, the following items may not be used or brought into our facilities: balloons, (latex or mylar) scooters/skateboards, Nerf guns, peanut products, open flames, alcohol, and tobacco products. For participant safety, music may not be played on AV system while Base Camp programs are running.
